## "CASEMENT'S LAST ADVENTURE"

by

Robert Monteith.

### Statement by Bulmer Hobson

About twenty-five per cent. of the material in Robert Monteith's book "Casement's Last <sup>adventure</sup> Journey" relates to matters within my own knowledge and in every case I have found that he has given a simple straightforward accurate account of what actually happened. In this, his book is an exception to the majority of books which have been published on the same period.

I may say that this tribute to Monteith's book is not based on any personal interest in the author, but merely on my recognition of the fact that it is reliable in so far as it relates to facts within my personal knowledge.

*Bulmer Hobson*

26<sup>th</sup> January, 1948.
