Dear Colonel Bryan

Your letter has followed me here & so my reply has been delayed. Unfortunately it has come at a time when I cannot see to read: but with difficulty I have managed about one quarter of Mr Lynch's article. In the part I did read I found several misstatements of fact & a very distorted picture of the events between 1913 & 1916. For thirty years I have been seeing similar misstatements in print, & I have no wish

to deter Mr Lynch from getting
is particular distortion published
of this country ever does produce
a historian his difficulties will
have been made insuperable in
advance. My comment is that
Mr Lynch's statements about
myself & about certain other
matters just do not happen
to be true.

Yours sincerely

Palmer Boston
