Give full particulars and nature of service rendered up to and
 including the 31st July, 1923: -

 at the request of Sean MacDonnada (Executed) and Tom Clarke
 (Executed) about 13 months before the ending of Easter week was
 Army Council Convict) and worked in Belfast, Galway, and
 Dublin. I am sure that Connolly, clerk of An Daic will
 vouch for my whole time appointment. He is the only living
 acquaintance I can think of who should know. Dr. Jim Ryan
 should remember my being in S.I.O. at Easter & I happened to be
 talking to him the night before I was called to try to get the last messengers to
 the South end of the city. He would not know of the particulars of the
 verbal messages. The ladies selected the messengers being well
 known by the Code and Sinn Féin Senior Officers needed no written
 introductions. H. Q. Officers in S.I.O. thought there was some response
 to their orders in the South until we did then everything was quiet. Dr.
 Ryan should know I did return to S.I.O. on Wednesday morning and
 I left with O'Keefe on Friday evening and was a prisoner to the
 general release Xmas 1916. In the latter months, before release, my
 health failed, Bright lung trouble. Was removed from prison in Stralich.
 When health recovered tried to reorganise my old home Odontics Company
 (Glin. Co. Kerry) went to Dublin Easter 17 to renew studies as Medical Student
 took up old work now with Mick Collins R.I.P. who was trying to get things
 going again. Long went wrong again and Dr. O'Donnell R.I.P. gave little
 hope of recovery. Went to live in Linnab. City, 1918 and worked on
 Intelligence Staff from the beginning to end of Jan War, firstly with
